### **Apple Support Essentials 10.5**

#### **9L0-402: Support Essentials 10.5**

**Practice Exam:** 9L0-402 Exams

**Exam Number/Code:** 9L0-402

**Exam Name:** Support Essentials 10.5

**Questions and Answers:** 90 Q&As  
( ACHDS )

Exam : [9L0-402](#)

For candidates making preparation for the Apple 9L0-402 questions and answers, what they most desire is to easily pass the 9L0-402 (Support Essentials 10.5) exam. ItCertHome 9L0-402 includes 90 questions and answers, which are collected and collated by experts of Apple. With our 9L0-402 study materials, you can successfully take Apple certification of 9L0-402 exam and go further on Apple career path.

#### **Free 9L0-402 Demo**

we provide Apple 9L0-402 demo exam for free (in PDF format ) before you decide to purchase it. Thus,you can know better about the quality of our practice exam and then make your right decision.

#### **ItCertHome Test tool's advantages:**

##### **High Quality and Value of 9L0-402 exam**

ItCertHome Apple ACHDS 9L0-402 Practice Questions is developed and finished by Apple technical team , cover every field of the exam . Besides, we have verified 9L0-402 answers,almost 100% correct.

##### **100% Guarantee to Pass 9L0-402 Exam**

We promise to give you FULL REFUND if you fail the ACHDS 9L0-402 certification(Apple Certified Network Associate) with the use of our ItCertHome testing engine.

##### **9L0-402 Self Test Mode**

ItCertHome provides a simulated and interactive environment where you can test your knowledge and skills about 9L0-402 to ensure enough assurance in real testing center.

##### **Periodic Updates of ItCertHome 9L0-402**

Once there is some change on Apple 9L0-402 exam, we will update it timely, and the product you buy will be updated within 90 days for free.

##### **Professional and Efficient Service**

We offer 7\*24 customer support via diverse channels: LIVE CHAT,MAIL.Expecting the communication with you about IT certification.

The Questions & Answers cover the latest real test and with all the correct answer.we promise the Q&A for **Apple ACHDS 9L0-402** examination of original title complete coverage.ItCertHome **9L0-402 Braindumps** Questions & Answers help you pass the exam. Otherwise,we will give you a full refund.

### **We promised that use ItCertHome Q&A ensure you pass the exam at your first try.**

1. The Q&A are from cooperation exam center of the real original title,summaried by our professional team and collated by senior IT lectured in co-training center to make sure the professional quality of the Q&A.The correctly of the Q&A is 100%, the coverage of 9L0-402 Q&A are more than 96%.All you need to study the whole 9L0-402 Q&A before you participate the certification exam,it should be possible to easily complete the exam and pass the certification.

2. ItCertHome to all the Q&A, we promised "do not pass the exam give you a full refund". If you buy our 9L0-402 Q&A and did not pass the exam at the first try. You can take the examination report card that stamped with PROMETRIC or VUE test centers Seal. we will refund your full cost of 9L0-402 Q&A, absolutely guarantee you interests have no losses.(For a full refund details)

3. ItCertHome professional IT Q&A vendors, we provide well after-sale service. To all the customers buy the Q&A, we provide track service. when you buy the Q&A with in one year. you can enjoy the upgrade Q&A service for free. If in this period, the certified test center change the 9L0-402 Q&A, we will update the Q&A in the first time, and provide you the download update for free.

[Apple 9L0-402](#) Test belongs to one of the ACHDS certified test, if needs to obtain the ACHDS certificate, you also need to participate in other related test, the details you may visit the ACHDS certified topic, in there, you will see all related ACHDS certified subject of examination.

9L0-402

ItCertHome professional provide ACHDS 9L0-402 the newest Q&A, completely covers 9L0-402 test original topic. With our complete ACHDS resources, you will minimize your ACHDS cost and be ready to pass your 9L0-402 tests on Your First Try, 100% Money Back Guarantee included!

- A. UFS
- B. NTFS
- C. EXT2
- D. FAT32

Answer: B

13. Which statement identifies a potential effect of resetting the master password for a Mac OS X v5 computer?

- A. Users with keychain files created before you changed the master password must use the old master password to unlock their keychains.
- B. Users who enabled FileVault before you changed the master password will not be able to access their home folder if they have forgotten their account password.
- C. Users with keychain files created before you changed the master password will have their keychain passwords automatically updated to match the new master password.
- D. Users whose accounts were created before you changed the master password must use the firmware password to access their home folder if they have forgotten their account password.

Answer: B

14. Review the screenshot of a Finder window, and then answer the question below.

One of your users needs to maintain the project files whose titles are shown in the screenshot above. If these files will be stored on the startup volume of a Mac OS X v10.5 computer, which format should you use for the volume?

- A. MS-DOS (FAT)
- B. Unix File System
- C. Mac OS Extended (Journaled)
- D. Mac OS Extended (Case-Sensitive, Journaled)

Answer: D

15. The primary role of the master password in Mac OS X v10.5 is to let you \_\_\_\_\_.

- A. access all the passwords stored in a local keychain
- B. reset the password of an account that has FileVault enabled
- C. change the startup device by holding down the Option key while the computer starts up
- D. connect to any password-protected web server whose password is stored in a local keychain

Answer: B

16. What are TWO reasons a system administrator might choose to store user accounts on a directory server?

(Choose TWO - partial credit possible.)

- A. So that users can access their FileVault-protected home directories quickly.
- B. So that users can access a variety of services using the same account credentials.
- C. So that the admin user can manage user accounts centrally on the directory server, rather than individually on each client workstation.
- D. So that the admin user can implement Windows-style hashes for SMB/CIFS file sharing; hashes are supported for directory accounts, but not for local accounts.
- E. So that the admin user can use parental controls to manage users; parental controls restrictions can only be implemented on accounts stored on a directory server.

Answer: BC

17. Which statement presents a benefit of protected memory?

- A. Applications that crash automatically save open files.
- B. Data in memory used by running applications is encrypted.
- C. Applications that crash have the data in memory saved to a new file.
- D. Applications that crash do not adversely affect other running applications.

Answer: D

18. Tom wants to share a document with Harriet. Both have standard user accounts on the same Mac OS X v10.5 computer. Which of these is NOT a location where Tom can store the document so that Harriet can read it?

- A. /Users/Shared/
- B. /Users/tom/Public/
- C. /Users/harriet/Public/
- D. /Users/harriet/Public/Drop Box/

Answer: C

19. You are an admin user, and have enabled the Ignore Volume Ownership option for an external FireWire hard disk. What will happen the next time a standard user attempts to mount the disk?

- A. The disk will mount, and the user will be able to read, modify, and delete any file on the disk.
- B. The disk will mount, and the user will be able to read any file on the disk; the user will be required to enter an administrator password to modify or delete files on the disk.
- C. The user will be required to enter an administrator password to mount the disk; once the disk is mounted the user will be able to read, modify, and delete any file on the disk.
- D. The user will be required to enter an administrator password to mount the disk; once the disk is mounted, the user will be able to read any file on the disk, but will be required to re-enter an administrator password to modify or delete files.

Answer: A

20. Which procedure can help you identify an application that will run with Rosetta?

- A. Control-click the application icon, and choose Display Environment; if the Finder displays the Rosetta icon, the application will run with Rosetta.
- B. From the command line, run ls in the directory where the application resides; if the application type is X11, the application will run with Rosetta.
- C. Click the application icon, then choose Get Info from the Finders File menu; if the Kind field says, Application (PowerPC), the application will run with Rosetta.
- D. Click the application icon, then choose Get Info from the Finders File menu; if the Application Environment field says, Rosetta, the application will run with Rosetta.

Answer: C
