

HP0-J33 Practice Test

HP Implementing HP StorageWorks EVA Solutions

HP0-J33: Implementing HP StorageWorks EVA Solutions

Practice Exam: HP0-J33 Exams

Exam Number/Code: HP0-J33

Exam Name: Implementing HP StorageWorks EVA Solutions

Questions and Answers: 65 Q&As

(HP MASE)

Exam : [HP0-J33](#)

For candidates making preparation for the HP HP0-J33 questions and answers, what they most desire is to easily pass the HP0-J33 (Implementing HP StorageWorks EVA Solutions) exam. ItCertHome HP0-J33 includes 65 questions and answers, which are collected and collated by experts of HP. With our HP0-J33 study materials, you can successfully take HP certification of HP0-J33 exam and go further on HP career path.

Free HP0-J33 Demo

we provide HP HP0-J33 demo exam for free (in PDF format) before you decide to purchase it. Thus,you can know better about the quality of our practice exam and then make your right decision.

ItCertHome Test tool's advantages:

High Quality and Value of HP0-J33 exam

ItCertHome HP HP MASE HP0-J33 Practice Questions is developed and finished by HP technical team , cover every field of the exam . Besides, we have verified HP0-J33 answers,almost 100% correct.

100% Guarantee to Pass HP0-J33 Exam

We promise to give you FULL REFUND if you fail the HP MASE HP0-J33 certification(HP Certified Network Associate) with the use of our ItCertHome testing engine.

HP0-J33 Self Test Mode

ItCertHome provides a simulated and interactive environment where you can test your knowledge and skills about HP0-J33 to ensure enough assurance in real testing center.

Periodic Updates of ItCertHome HP0-J33

Once there is some change on HP HP0-J33 exam, we will update it timely, and the product you buy will be updated within 90 days for free.

Professional and Efficient Service

We offer 7*24 customer support via diverse channels: LIVE CHAT,MAIL.Expecting the communication with you about IT certification.

The Questions & Answers cover the latest real test and with all the correct answer.we promise the Q&A for **HP HP MASE HP0-J33** examination of original title complete coverage.ItCertHome **HP0-J33 Braindumps** Questions & Answers help you pass the exam. Otherwise,we will give you a full refund.

We promised that use ItCertHome Q&A ensure you pass the exam at your first try.

1. The Q&A are from cooperation exam center of the real original title,summaried by our professional team and collated by senior IT lectured in co-training center to make sure the professional quality of the Q&A.The correctly of the Q&A is 100%, the coverage of HP0-J33 Q&A are more than 96%.All you need to study the whole HP0-J33 Q&A before you participate the certification exam,it should be possible to easily complete the exam and pass the certification.

2. ItCertHome to all the Q&A, we promised "do not pass the exam give you a full refund". If you buy our HP0-J33 Q&A and did not pass the exam at the first try. You can take the examination report card that stamped with PROMETRIC or VUE test centers Seal. we will refund your full cost of HP0-J33 Q&A, absolutely guarantee you interests have no losses.(For a full refund details)

3. ItCertHome professional IT Q&A vendors, we provide well after-sale service. To all the customers buy the Q&A, we provide track service. when you buy the Q&A with in one year. you can enjoy the upgrade Q&A service for free. If in this period, the certified test center change the HP0-J33 Q&A, we will update the Q&A in the first time, and provide you the download update for free.

[HP HP0-J33](#) Test belongs to one of the HP MASE certified test, if needs to obtain the HP MASE certificate, you also need to participate in other related test, the details you may visit the HP MASE certified topic, in there, you will see all related HP MASE certified subject of examination.

HP0-J33

ItCertHome professional provide HP MASE HP0-J33 the newest Q&A, completely covers HP0-J33 test original topic. With our complete HP MASE resources, you will minimize your HP MASE cost and be ready to pass your HP0-J33 tests on Your First Try, 100% Money Back Guarantee included!

This HP0-J33 PDF demo do not include the questions and answers's picture:

Exam : HP HP0-J33

Title : Implementing HP StorageWorks EVA Solutions

1. How does releveling occur after the loss of one disk in a 16-member group containing ten 10GB Vraid1 Vdisks?

- A. The group does not need to relevel.
- B. across 16 disks in the group
- C. across 15 disks in the group
- D. across 14 disks in the group
- E. across 10 disks in the group

Answer: D

2. What happens when you set the failure protection level for a disk group with same-sized disks on an EVA to single?

- A. Two disks are reserved as spare space.
- B. A one-disk equivalent is reserved as spare space.
- C. One disk is reserved as spare space.
- D. A two-disk equivalent is reserved as spare space.

Answer: D

3. What is the source of the identifying data that is inserted into the HP CommandView EVA SNMP MIB when it is generated?

- A. SMI-S agent on management host
- B. hardware ASIC in the first host port that sends the event
- C. default parse file
- D. controller software-specific parse file

Answer: D

4. Which EVA virtualization features help reduce customer Total Cost of Ownership? (Select two.)

- A. load customization
- B. LUN definition ruleset

- C. pre-set VRAID security
- D. reduced stranded capacity
- E. significantly increased utilization

Answer: DE

5. Which feature is unique to the EVA8400 / 11GB cache (per controller) model when compared to other EVA array models?

- A. use of a third cache battery
- B. 400TB addressable storage space
- C. up to 5GB policy memory
- D. maximum of 27 device shelves

Answer: A

6. What is a physical segment (PSEG) in the EVA context?

- A. smallest virtual disk space allocated on a disk drive
- B. smallest physical disk space allocated on a disk drive
- C. disk space containing information about the selected redundancy level of the virtual disk
- D. data portion read from or written to a physical disk before the next physical disk is accessed

Answer: B

7. A disk group is set to double protection level and contains only Vraid1 virtual disks. What happens when there is simultaneous loss of two physical disks from different mirrored pairs within the same Redundant Storage Set?

- A. The Vraid1 fails and there is data loss.
- B. Vraid1 data migrate to Vraid5.
- C. The Vraid1 virtual disk stays in degraded mode and data is preserved.
- D. The Vraid1 data from the failed disks is reconstructed.

Answer: D

8. You create a Vraid0 LUN in an EVA with 16 disks consisting of two 8-disk RSS sets. What will happen if a single disk fails?

- A. The LUN will fail even with an RSS configured.
- B. The LUN will continue to operate normally due to the redundancy provided by the RSS sets.
- C. The LUN cannot be configured across two RSS sets.
- D. The LUN will continue to operate at reduced performance while the RSS sets rebuild the lost data.

Answer: A

9. Which interconnect technology is used when integrating the mpx110 router into an EVA solution?

- A. FCIP
- B. FICON
- C. iSCSI
- D. WDM

Answer: A

10. Which interface is used to connect a FATA drive to an EVA controller? (Select two.)

- A. single port
- B. dual port
- C. Serial ATA
- D. Native Fibre Channel
- E. Parallel ATA

Answer: BD
